

Main Street Skowhegan: Business Enhancement Committee

Our Mission:

To support, promote, attract, and retain businesses in the Skowhegan area.

To work with other local economic development agencies towards a common goal of a vibrant business community.

To bolster the ideals of Main Street communities and leverage local involvement in the growth of positive economic initiatives.

Danielle Libby (Butler's Car Wash), Bev Knapp (Franklin Somerset FCU), Vicki Alward (Skowhegan Savings Bank), Sam Hight (Hight Family of Dealerships), Patrick Dore (Franklin Savings Bank), Molly Woodward (New Dimensions FCU)

The Business Enhancement Committee offers new and existing businesses help in the form of networking, information, business incentives, grants, workshops and consultation.

We are made up of Main Street Skowhegan Board Members, entrepreneurs, bankers, and local leaders.

We combine efforts and develop partnerships to nurture existing businesses so they may grow and flourish in our community, while also attracting new businesses to the Skowhegan area.

Together we help maintain a business-friendly culture leveraging the capacity of Main Street Skowhegan and their goals.
